

Amy Thomas – Executive Director for PineCrest

Amy Thomas has served residents of PineCrest since 1995. Starting out as a Licensed Vocational Nurse, Amy has touched many lives in her career growth. She also served as Human Resources Coordinator and Staff Development Director, roles that gave her great insight into the support needs of PineCrest employees. After obtaining her Bachelor of Business degree, Amy was charged with managing operations for the nursing and rehabilitation services of the community, and is currently working toward expanding home health services to residents of the greater Lufkin community.

In her current role as Executive Director, Amy continues to lead by example and is a champion for customer service and excellence in resident health services. Amy is also invested in the greater Lufkin community through the Kiwanis Club. She is an inspiration to our employees because she looks for the best in others and strives to help others grow professionally as they serve our mission.
