

Harold Ermshar – Executive Director of The Crossings

Harold joined MRC in April 2013 as Executive Director for MRC The Crossings in League City, Texas. During the construction period for The Crossings, he has been serving several MRC communities by offering operations assessments and sharing best practice initiatives learned from working with several Greystone Communities as well as with several CCRC's across the United States.

Prior to joining MRC, Mr. Ermshar gained extensive operations and leadership experience while holding the position of US Production Manager for Momentum Healthware, as well as working with CCRC's across the Southeast during his time as Founder and CEO of his own management and consulting company, Leadership Solutions. Prior to starting Leadership Solutions, Mr. Ermshar held several executive management roles in nursing homes and CCRC's in Tennessee.

He is a Licensed Nursing Home Administrator in Texas and Licensed Administrator and Preceptor in Tennessee. Mr. Ermshar holds a Bachelor of Science Degree in Long Term Care Administration from Southern Adventist University in Collegedale, Tennessee. He has served on the Government Relations Committee for Tennessee Association of Homes and Services for the Aging (currently LeadingAgeTN) and is a previous presenter for LeadingAge.
