

Matthew Currie – MRC Vice President and Executive Director for Crestview

Matthew is a native Texan from Franklin who graduated from the United States Military Academy in 1992 with a Bachelor of Science in Business Administration. Matthew served our country faithfully as a Field Artillery Officer in the U.S. Army.

Matthew found his calling for serving seniors in 2000 as a part-time employee at Crestview Healthy Living Community. Matthew returned in 2001 and while employed, completed a two-year internship in 2003 to obtain his Administrators License. Upon completion, Matthew left to work for a well-respected, family-owned, long-term care business in the Bryan community.

Matthew considers himself very fortunate to return to Crestview in 2007 as Executive Director. His passion for the senior living industry is evident in his daily interactions between staff, volunteers, residents, and families alike. Matthew believes that the key to serving seniors is attracting and retaining faithful, caring, and trusted staff that treat the people we serve as if they were their own family. Matthew's motto is: "It's all about customer service."

Matthew's credentials include: Licensed Nursing Facility Administrator (LNFA), Certified Assisted Living Facility Manager, Home Health Administrator, and Certified Aging Services Professional.
